Address: NO 10/11 NK NAGARP AND T COLONY, KOUNDAMPALAYAM, Coimbatore North, TN 641030.

Date of Birth: 29.10.2005

Objective

As a forward-thinking undergraduate student in Computer Applications, I strive to blend theoretical knowledge with practical skills in cloud technologies. With a strong foundation in AWS, Azure, RedHat, and Microsoft Servers, I aim to be a dynamic contribution the tech industry.

My career goal is to architect scalable cloud infrastructure that delivers performance, security, and innovation. I believe in continuous learning, disciplined execution, and always staying ahead with tech trends.

Currently seeking a role or internship that challenges me to solve real-world problems, collaborate in agile environments, and grow as a future cloud solution architect or DevOps professional.

Skills

✅Cloud Platforms: AWS, Microsoft Azure, RedHat OpenShift

✅Networking & Servers: CCNA Basics, Microsoft Server 2016

✅OS & Scripting: Linux (basic shell), Windows Admin

✅Languages: Tamil (Native), English (Fluent), French (Basic)

✅Soft Skills: Time Management, Scheduling, Problem Solving

Education

Sri Ramakrishna College of Arts and Science

BCA – Computer Applications | 2023–2026 (Final Year)

CGPA: 75.9%

HSC (2022–2023): 71.1
SSLC (2020–2021 COVID Batch)
– All Pass

Work Experience

Intern – IMTP Consultancy, Coimbatore May 2025

- Hands-on exposure to live client-based cloud support environments.
- Assisted in configuring AWS EC2 instances and Azure virtual networks.
- Supported team with documentation, backup procedures, and VM testing.
